NMRA Series Promotion

The NMRA became the #1 All-Ford motorsport show through aggressive series promotion designed to attract both fans and participants.

- **National Magazine Advertising:** The NMRA advertises the series schedule and individual events in *5.0 Mustang & Super Fords*, *Muscle Mustangs & Fast Fords*, *Mustang Times* and *Race Pages*.
- **Radio Advertising:** The NMRA purchases radio advertising in most markets on the top-5 radio stations.
- **Dealer Promotion:** The NMRA places point-of-purchase displays with all speed and performance shops in each region of an NMRA event.
- **Direct Mail:** The NMRA sends direct mail event flyers for every event to the NMRA's mail list and the race track's mail list.
- **Guerilla Marketing:** The NMRA distributes flyers at speed shops, automotive shops, regional car shows, swap meets and specialty events to cross-promote each event.
- **Yearly Series Poster:** The NMRA produces a full-size event series poster that is bound into the May issue of *Race Pages* each year.

NMRA Contingency Program

The NMRA has the largest all-cash contingency program in Ford racing with over 80 participating brands. This program has been developed over the past fourteen years by providing a strong value to our sponsors and assurance that our contingency checking and reporting system is accurate and honest. NMRA's image program provides high-resolution racer photography free of charge to all NMRA sponsors.
