DIRECTORY**

**TARGETED DISTRIBUTION
AND READERSHIP**

FSC and Race Pages both have a targeted monthly distribution of 25,000 copies per issue, getting in the hands of thousands of racers, enthusiasts and influencers every month. Because of our targeted distribution FSC and Race Pages reach not only the performance enthusiasts who buy products, but also the all-important decision makers of each shop where the magazines are distributed. FSC and Race Pages now offer on-line versions of the magazine which allows readers 24/7 internet access to each issue!

If the street/strip and drag race market is important to your company's sales, then our magazines are a crucial part of your marketing plan.
