

CONTINGENCY CONTRACT

2021 NMRA FORD NATIONALS

The 2021 Official Contingency Program is designed to drive your product sales, increase your brand awareness and serve as a strong marketing avenue to the huge street/strip market. The NMRA Contingency Program is an effective way to support Ford Drag Racing while increasing product sales and developing loyalty from Ford racers and enthusiasts.

NMRA Contingency Program Facts: The NMRA Contingency Program is the largest cash program in Ford drag racing, with over 80 participating brands, over 180 different products, and over \$4 Million in total posted cash.

Image Program: The NMRA developed the first ever "image program" in an effort to provide manufacturers with valuable photography for future promotion. These live action, all rights released, photos of our competitors may be used by contingency sponsors for their own promotional purposes—in ads, in catalogs, in brochures, on the internet etc.

Logo Use: All contingency sponsors may use special logos developed to help them promote their support and draw attention to their components:

- NMRA Official Contingency Supporter Logo
- Pays NMRA Cash Logo

NMRA gets the word out to racers & fans on the companies and products participating with the series' contingency program:

- *Fastest Street Car* prints a "Contingency Corner" for each class specific event editorial that lists what parts the winner had on his/her car and how much contingency he/she was awarded.
- The NMRA's web site, www.NMRAdigital.com, contains an "instant" contingency list (100,000 unique visitors/month).
